Authorized RMA Return For Limited Warranty Service

This Section describes the general terms and conditions of Limited Warranty Service pursuant to a Return Merchandise Authorization (Authorized RMA Return) of covered product. Strict compliance with our Limited Warranty terms and conditions and the RMA deadlines and procedures described below are a basic requirement for Limited Warranty Service. Any non-conforming return shall be deemed invalid and of no effect.

General Terms and Conditions: To be eligible for an Authorized RMA Return, the Customer must meet all terms and conditions, procedures, requirements, deadlines, exclusions, limitations, and exceptions to the Limited Warranty. Customer must also comply with all Authorized RMA Return requirements, including but not limited to, documentation, procedures, and deadlines, or the product return will be rejected by Super Talent's RMA Department.

What Must Be Included In An Authorized RMA Return. To qualify for Limited Warranty Service, Customer's Authorized RMA Return must include the entire product, in its original packaging, all product documentation (e.g., instruction manuals and product guides), diskettes, power cords, software, accessories, and any other items originally included with the product. Failure to return any of these items will void or delay the RMA Return at the option of Super Talent.

Shipping, Insurance and Risk of Loss. Customer must pre-pay for the RMA Return shipment to Super Talent and insure the shipment, or accept the risk if the product is lost or damaged in transit. Any uninsured shipment is at Customer's sole risk. Super Talent shall have no obligation to perform Limited Warranty Service on any product that is damaged in transit to Super Talent's RMA Department.

Authorized RMA Return – Limited Warranty Service:

Super Talent shall, at its sole and exclusive option, repair, refurbish, or replace a Super Talent covered product, or any component part of such product, that proves defective by reason of material defect in workmanship or materials during the product's Limited

SUPER ★ TALENT™

Warranty Period (“Limited Warranty Service”). Super Talent reserves the right to use new, refurbished, or functionally equivalent products, parts, and materials (of comparable specification) in performing Limited Warranty Service.

Authorized RMA Return Procedures:

DOA Credit Return Policy (30 Days - DOA Product Only). Super Talent’s covered products are **not** subject to return for credit (refund of purchase price) in whole or in part under the Limited Warranty, except as provided herein. The **sole** exception is covered product that is determined to be materially defective in workmanship or materials within thirty (30) days of the Super Talent invoice date of original purchase ("DOA [dead-on-arrival] product") **and** which is timely returned to us pursuant to the DOA Credit Return Terms and Conditions (“DOA Credit Return”) set forth below.

Limitations on DOA Credit Return: The DOA Credit Return exception does **not** apply to any of the following, even if returned within thirty (30) days of invoice date: CPUs; consumer electronic devices; Apple products; or tape backup drives/devices. These products are subject to return strictly under Super Talent’s standard Authorized RMA Return policy and procedures, described below. **Note:** The manufacturer of third party products may directly provide its own warranty/warranty rights to the Customer (original end-user). Please consult the manufacturer’s website as appropriate.

DOA Credit Return/Terms and Conditions: For a DOA Credit Return, Customer must within thirty (30) days of date of purchase as shown on the original Super Talent invoice: 1) initiate an Authorized RMA Return **and** obtain a valid RMA number from our RMA Department; *and* 2) return the DOA product intact in its original packaging with all product documentation, accessories, cables, and power supplies *so that it is received by our RMA Department within three (3) business days of issuance of a RMA number.*

Customer must also provide Super Talent RMA Department with true and complete information about the handling and use of the product, and strictly comply with all RMA policies, procedures, and deadlines as a condition of DOA Credit Return. Nondisclosure or misstatement of such information may void the RMA Return.

Provided that Customer timely complies with all DOA Credit Return Terms & Conditions, Super Talent will recognize the Customer's option to return the DOA product for a refund (or for repair, refurbishment, or replacement as provided herein). All other product returns under the Limited Warranty, including non-conforming DOA Credit Returns, shall be for repair, refurbishment, or replacement **only** (no credit).

Credit will be issued to Customer within 10 business days of completion of the DOA Credit Return by our RMA Department.

Customers are asked to contact Tech Support to determine if the technical issue they are

experiencing may be satisfactorily resolved before an Authorized RMA Return is initiated. Super Talent provides several technical support options for its covered products:

2. Product Support Forum at: <http://www.supertalent.com/home/forum/>
3. Telephone/Super Talent Tech Support: (408) 941-8617, ext. 617.

Important Note: Communication with our Tech Support Department does not extend or toll the time period for making a Limited Warranty Service claim/Authorized RMA Return of any kind (including DOA Credit Return).

How to Initiate An Authorized RMA Return.

To obtain Limited Warranty Service, a Customer must contact the Super Talent RMA Department within the Limited Warranty Period applicable to their product to request issuance of a valid RMA return authorization number.

- Please e-mail Support@SuperTalent.com to initiate a RMA request.
- Please see <http://www.supertalent.com/support/rma.php> for our Authorized RMA Return form and related instructions.

Once issued, an Authorized RMA Return number is valid for thirty (30) days.

Customer's failure to return the item within the RMA period shall void the RMA Return.

What Will Super Talent's RMA Department Do Under The Limited Warranty?

Once a valid Authorized RMA Return has been initiated, the RMA Department will first determine if the product or issue is covered under the Limited Warranty. All such decisions are final and binding. If the product/issue is *not* covered, Super Talent will notify Customer of the reasons for this determination and advise the Customer as to available options.

If the RMA Department determines that the product/issue *is* covered under this Limited Warranty, Super Talent shall, in its sole discretion, repair, replace, or refurbish the product or component part with its functional equivalent. All products or components that are replaced or refurbished are inspected and tested for functionality before return to Customer, and are covered for the remaining period of the original Limited Warranty Period. Super Talent owns and shall be entitled to retain any product or component replaced under the Limited Warranty.

May I transfer the Limited Warranty?

No. Super Talent's Limited Warranty is not subject to any form of transfer, assignment, or sale. Super Talent's Limited Warranty may not be assigned, sold, or otherwise transferred by the Customer to any other party. Any assignment, sale or transfer

of a covered product or of the Limited Warranty by the Customer shall void the Limited Warranty in its entirety. However, some of our products may be subject to a separate manufacturer's written warranty. To the extent any manufacturer's warranty rights are assignable, Super Talent assigns to the Customer any remaining warranty rights provided by the manufacturer, without further obligation of any kind. Super Talent does not warrant any software under this Agreement. Warranties, if any, for software are contained in the end-user license agreement ("EULA") that governs the purchase and usage of such software.

Important Additional Customer Requirements For Authorized RMA Return.

Before returning any product, please ensure that you have met these additional conditions for Limited Warranty Service under an Authorized RMA Return.

Authentication of Purchase. Customer must satisfactorily authenticate the product purchased from Super Talent. Any Limited Warranty card must be filled out with true and complete information. Any labels affixed to the product (for authentication or quality control) must be intact and not have been removed, damaged or altered in any way. Failure to comply with any of these conditions will void the Limited Warranty.

Identification of Covered Product. The Super Talent covered product must be identified by part number, serial number, and any other form of identification. Any removal, alteration, obliteration, or missing identification of the Super Talent product will void this Limited Warranty.

Proof of Original Purchase Date. Submission of proof of original purchase and the date thereof by the original Customer is required to initiate a valid Authorized RMA Return. Please include a complete copy of this documentation in the Authorized RMA Return. Super Talent may also require, in its sole discretion, Customer's submission of the original Super Talent invoice, Super Talent warranty card, and the Customer's credit card bill or other proof of payment. In the absence of such proof, Super Talent will attempt to ascertain the authenticity of the product and the date of original purchase from the Customer's account information, transaction history, and product identification and serial numbers. This Limited Warranty is void and of no effect if the Customer fails to make the required submission or if Super Talent is unable to authenticate the Customer's purchase of the product to its reasonable satisfaction.

Discontinued or "End of Life" Super Talent Products.

Super Talent products subject to this Limited Warranty that are discontinued, "end of life," or are otherwise no longer manufactured or in inventory can be returned for repair or refurbishment only.
